Welcome!

On behalf of the members of FDX Local Council 14, I would like to welcome you to the Hong Kong domicile. Certainly this letter finds you busy preparing for your big move and if there is anything I can do on this end to help, please don't hesitate to ask. We hope that your time in Hong Kong will be a fulfilling and positive experience for you and your family. You will undoubtedly have numerous questions and we hope that we can answer a number of them with the information provided on the [FDX HKG Council 14 website](#). This is a good place to start and contains links that take you to other sites to help get you started on your relocation.

In addition to the what you will find on the above link to our ALPA Lec 14 website, our HKG Membership Committee representative, Capt. Darren Holmes is also available as a contact and source of information for you. In Hong Kong, WhatsApp seems to be the preferred simplest means of communication.
